“ My Grandma is one of the most beautiful people I have ever had the pleasure of knowing. She was not only absolutely beautiful on the outside but it matched the inside. I still don't know how I got so lucky to get her as my grandma. She was so selfless and caring, she would do just about anything to help anyone if she could. I remember growing up, she always picked me up after daycare and we would go get something for dinner and then we would spend the rest of our time taking turns watching our tv shows or just spending time together. My grandma was so good at sewing she once made me a whole Halloween costume, it was a bunny. Even to this day when I look back it is still my favorite. I grew up knowing that my grandma would be here for me no matter what or when. She means the world to me but I know that right now she is living it up in heaven dancing, singing and without pain having a great time. I am so proud to call her my grandma and I look forward to the day I will be able to see her again, give her the biggest hug and tell her how much I missed her! I love you Grandma!

“ Grandma Jean was as sweet as they come. Many of my earliest, and best, memories were made at her house, where I was always treated like family. Whether we were using all of her blankets to make forts, playing in her yard & garden, or painting one of the upstairs bedrooms bright pink...she was always so loving, patient and kind. She will be fiercely missed, but Heaven sure gained a wonderful new angel. Sending my love and so many hugs to the whole family!

“ Dear Lauri, Elisa, Brittany, & family,
I am so sorry to hear of Jeannette's passing. What a wonderful mother, grandmother, & great grandmother she was. I so enjoyed having her attend all the girls Job's Daughters ceremonies. You could tell she was truly proud of them! Treasure all the wonderful memories of her and hope you can find peace in them. My thoughts and prayers are with you all.

“ Jeanette was one of the sweetest ladies I've met. Even when health appeared a struggle she was always smiling and had a kind word for everyone. My fondest memories of Jeanette will be our little rides with Lauri and how she'd wander off and we couldn't find her when time to go home. She will truly be missed by so many. Love you Jeanette and praying you are at peace enjoying the sunshine and a garden. Hugs to the entire family she loved so much. Dawn Margoni

“ Grandma was kind, honest, silly, and accepted everyone as they were. She taught me so many things, and I am grateful for the countless happy memories I have with her. I was lucky enough to get to live with her various times over the years. She taught me how to make a bed and clean and organize. She let me sleep with her when I couldn't sleep at night. We planted flowers together and did projects. We loved to make smoothies together. Her house was, and still is, a safe and happy place for me. She was the best grandma and person. One of the things I admire most about her is how non-judgmental and accepting she was. I am striving daily to be like her. I will always love and miss you, grandma. I pray that you are at peace, happy, dancing with angels. Love you so much.
