“ I am saddened to know (I just found out yesterday) that my friend Aaron has passed....I am in shock. This so is heartbreaking..... To the love of his life Natalie and their two beautiful children, James and Olivia, please know how very sorry I am for your great loss. What a wonderful man he was. I worked with Aaron for 11-1/2 years until I retired and he was one of my favorite people at MARESA. So knowledgeable and always helpful with his technology skills. But, more than that, he had a kind and sensitive heart, he would do anything he could to help out. Always a smile. He was truly one of the good guys, and I will miss him. May God Bless all his family with comfort and strength. ❤️

“ Natalie and kids, I just learned of Aarons passing and I am shocked and saddened for you all. AB was one of the best guys CF ever turned out. He was a great guy to be around and I have many great memories of super bowl parties with you all and hanging out back in the Mqt. bar days. I hope you can all find peace and cherish his memories.

With Love, Tom Clark

“ I was fortunate to be a co-worker and a friend of Aaron's for many years! We shared a lot of laughs and stories! He was so proud of his family! I remember when he and Natalie were expecting their daughter, he had a father's app on his phone to explain the current size of the baby. Instead of the usual . . . She's the size of a grapefruit, etc., it was the size of a bottle of beer, a football, etc. He was so excited to share each growth spurt! My heart breaks at his passing! My sincere condolences to his family ❤️ Gone but never forgotten! Sue Cherrette
