“ Adam spent a lot of time at my house growing up. He was always there when I needed heavy furniture moved! He was so kind to my stepson Troy when Troy moved to Crystal Falls. Adam made sure he was not picked on school, like new kids are! Adam was the greatest cook and had a kind heart. I am so sorry for your loss, Rocky and Clem. No words can be written to make up for losing him so young. No one should have to bury their child. I will always remember him. With deepest sympathy, Tina Black
