“ *Debbie and Andy-*  
*I was saddened today to hear that Aunti had died. I have so many wonderful memories of her from my childhood. My sister's and I were just reminiscing about the dining room on 107th street - and I had said some of my favorite memories were from when your family would come over and we'd all be sitting around the table talking and laughing. She'll always be special to me. I pray that the Lord will comfort both of you at this time.*
