“ Arvis was a Fine Man. I worked at the Sheriff Department for many years and shared many a conversation with Him. He had an upbeat attitude and a contagious smile.

“ You were wonderful "alley" friends and neighbors. We had so many memories all growing up together with nightly campfires, empty lot baseball games, exploring the neighboring woods for "playing house" and "haunted houses". Such fun in the sandbox and the big maples in Mom's yard to swing into piles of leaves in the fall. We will miss your Dad, always greeting us with a big smile on our return trips to Vicki's; asking what's up, how was hunting, how were our kids, etc. We could graciously borrow tools and ladders etc. to finish "fix-it" projects for Vicki. Great visits with your parents on the picnic table and your yard swing. So glad we stopped by this fall. Thinking of you all, Jim, Tom, Ann, Jon and Renee. We are very grateful to your parents for their watchful eye for Mom, a comfort to know she had such special friends just over the alley!
Sincerely, Deb and Dave Boden

“ Arvis was always so good to my boys! He was a guardian angel to my son Kirk who would invariably forget everything at school or on the bus! He just would laugh and hand me his things the next day! He was always cheering on the boys at games. Cole Westphal and my Kole would look for him. Good memories! Our deepest condolences to the entire Rhino family...we love you!
