“ Betty was a dear and special friend to myself and so many others. I will miss her dearly, her big hugs, her beautiful smile, her quick wit, working beside her at church, laughing with her, teasing her, and listening to her stories. The sun shines a little less bright now that she’s gone. My heart felt condolences to everyone that loved her. She’s gone from being our angel here on earth to being one of Lords angel in heaven. May your legacy of love and light live on Betty. XOXO Andie
