

Beverly Camp

November 10, 1944 - April 30, 2013

Beverly Camp

68 of Crystal Falls Twp. passed away on April 30, 2013 at Marquette General Hospital in Marquette, MI after a courageous battle with kidney cancer. She was born November 10, 1944 in Kalamazoo, MI, daughter of the late Russell and Aurora (Quist) Frielink. She graduated as Salutatorian from Lawrence (Michigan) High School in 1962. She and her husband Larry would have celebrated their 50th wedding anniversary in June. Since moving to Crystal Falls in 1972, Beverly was active in community affairs. She was on the Crystal Falls Library Board for over 30 years, served on the Contemporary Center Board, the Iron County Housing Commission and the Crystal Falls Township Planning Commission/Zoning Board. Most fun for her was being Mrs. Santa Claus for many years for Home Town Christmas and special library programs. She was elected as County Commissioner in 2011 and re-elected for a second term beginning in 2013. Because of declining health she had to resign from the position the first of the year. Beverly retired in April 2000 from the Lud Stoor Agency. Prior to working at Stoor's, she was employed by the Falls Clinic and the Crystal Falls Hospital. In her spare time she enjoyed sewing, knitting, crocheting and most forms of crafting. She and Larry took great pleasure in "Jeeping" packing a picnic lunch, grabbing the maps and GPS and taking off for a day in the woods.

She is survived by her husband, Larry; two sons, Scott Camp of Green Bay, WI and Jeff (Barb) Camp of Crystal Falls; step-grandson, Josh (Fiance' Debbie) Hughes; step great grandson, Ethan and step great granddaughter, Danielle; two loving sisters, Lenore Stenback and Gail (Bob) Kabel; caring sisters in law, Lila (Bob) Elgersma and Cherie (Jim) McCloughan and many special nieces and nephews.

According to her wishes, there will be no service. Her body will be donated to the Mayo Clinic for medical research.

Beverly's family would like to thank, Dr. Morel, Dr. Smith and the staff of Northstar HS for their professional care and concern during her battle with kidney cancer. We would also like to thank our wonderful neighbors, friends and relatives for their gifts of money, flowers, food and lovely card. Every kind gesture meant so much to her. We will be forever grateful. Sincerely, Larry, Scott and Jeff Camp.

“ We are now in the UP as we head to our family gathering to remember my sister in law and celebrate the blessing of Bev in our lives. As we drive, we're reminded of the beauty here and how she loved her homeland. Lake MI is as clear & blue as her eyes. Crystal Falls is the community she loved & served. Beverly: intelligent, articulate, creative, talented, dedicated to the right, contributor to her fellow citizens, positive & practical, preserver of good, devoted mother, mother in law, grandmother, sister, daughter, daughter in law, aunt, friend, public servant & soulmate of Larry. My dear sister in law, you will always dwell in my heart. For all of us who knew and loved Bev, it is our charge to carry the gift of her forward. On our best days, we will be sharing a piece of what Beverly has meant and passing it on. The world will continue to be a better place because of the difference Bev has made in our lives.

“ To the boys, We share a loss April 30th, may you find comfort in each other, our lives will never be the same. Take comfort in knowing they are not in pain anymore, that's the only good thing with this fight against cancer. Take care guys. I will always think of you, on this day.
