“ My deepest sympathy to Bev's family and all friends. Beverly was a real people person, and I have wonderful memories of her when I was growing up! We were close in age. My Uncle was married to her Sister Sharon, and I got to know Beverly growing up when we were young teenagers, and had wonderful memories. We would tell spooky stories with all the cousins in the house, and she was in charge, and we would always trust her!!

*Later in my life, when my Grandma Rose Clark died, I was greeted by her at the Funeral Home with her arms Hugging me, she was such a breath of fresh air! I just admired her so much! She was such a wonderful person, and I will never forget her! A beautiful person inside and out! My prayers go with her, she was taken so early in life, but added so much to our memories and will cherish them always. God Bless you Beverly....we LOVE YOU and will remember you always, I remember all the fun times we had....Love you always,

“ Our deepest sympathy to Bev's family and the hundreds of friends she gained with her special smile and personality. We loved going there for the last 25 years and getting that special hug when we arrived, and the special Old Fashioneds and great food. She will be greatly missed as will the friendships we gained with those whom we normally only met there thru the years. We know she is in Heaven and we will see that famous smile each and every time we cross the border. God Bless you Bev.

“ *We always enjoyed entering the restaurant and being greeted by Bev. She made us feel welcome and shared her hospitality with us "flatlanders" from Monroe (about as far south as you can get in MI). The food and service were exceptional, and I certainly hope we made her aware of it when we left each and every time. We are going to miss her. May she rest in peace. Bob and Nancy McDonald*

“ Many years ago I walked into the supper club and asked "Is it true?" and Bev said "Is what true?" I replied "That every time I walk in I get a hug." I will miss those hugs. Bev left us too early. She is missed.

“ *We started going to Club Felix the year Bev began working there and continued as customers of Bev's Supper Club ever since. Like most of her customers, the main reason we went was because of Bev. She was always cheerful, friendly, and fun to spend time with. She will be missed greatly by us and many others.*

Our condolences to her family.

“ *Bev was ALWAYS such an upbeat, great to be around person. It wasn't just the food that kept people going to her place - it was her personality, that she remembered everybody's names, family, family issues, happy moments in their lives....she truly cared about people. My son worked for Bev for many years and he has been living and working in Wisconsin for two years and still stops by to see her when he comes home...just for hugs and hello's. Yes, she will be missed very much. The world really needs more people like her in it...especially since she was taken way too soon.Our most sincere condolences to Bev's family.*
