“ To Carol and the Entire Family of Buzzy! I was 17 in 1984 when I graduated High School and went to work as a Security Guard for J&J when the papermill in Quinnesec was first being built. Buzzy like to Banter that I was a Nordic and that the Trojans were a bit more superior haha... he was a great Mentor for me and helped me learn all the duties that were expected of me while as a Guard and made it a fun working environment too. I always appreciated his friendship, and even after I moved on from that job and went thru all the changes and milestones that life offered I still looked forward to his Annual Christmas card and humor. Buzzy was a great guy and sure thought the world of his family. He would always tell me, you can't forget my birthday, "it's Flag Day" haha My deepest sympathies at this very sad time. RIP wonderful Buzzy! Warmest Regards, Mary R. Oman (and Duane Hongisto too)
