“Charlotte was my sister-law-law by marriage, but friend by choice. I have missed her these last four years since she was admitted to the ICMF. Her grace and bravery during her illness was a witness to her faith in the Lord. Even though her disease incapacitated her, she never showed fear, but peace. Her effort to smile when she saw you, and her sparkling eyes that talked and said, "I see you and know who you are" was so encouraging. So brave. Now she is free. I love the memories of our walks, picking berries, chatting on the porch, visits to our home, laughs, her polenta and chicken livers, love of reading, gigsaw puzzles, taking me quilting at church, worshipping together, becoming a grandmother, looking for moose, and a special trip with her, Rog and Neil and I. We went to Canada on a Fall train tour to see the colors and had a fabulous time and lots of laughs. The colors were spectacular!
The simple things of life are precious.

My love and sympathy to Roger John, Becky, Tony, John, Kathleen, Mary Beth, Zachary, Danny, Kerry, and Meredith.

“I remember Charlotte's sparkling recognition when we would meet - always felt she appreciated me as I was and held a special honest and deep understanding. At the same time she had such a fun humour - I will miss her so.

“ Roger, John, Dan and family, I was so sorry to hear of Char's
passing, My condolences to all of you. One of the favorite memories
that I have took place on an evening of a snow storm. I had asked
Dale if we could go out to eat at Westwood Supper Club to which he
gave me a questioning look regarding my sanity at that snowy
moment. I said we have a four wheel drive and we will go slowly,
please? He relinquished and away we went. The roads were not
plowed so we went through about a foot of snow all the way, but
when we got there the lights were on and another truck in the
parking lot. We entered and who was there smiling widely at us but
Char and you, Roger! We had such a good laugh that there were
more brave souls around! It was such a delightful and cozy night
there sitting, talking and enjoying the company and our dinners.
Thinking about that night makes me smile. Char will be missed. She
was a sweet lovely lady. Bless you all in this time of loss.

“ Roger, Roger John, Danny and all the family, I can't say in a few words what an impact Charlotte had in my life but I will be grateful always for having met her. One memorable time I can share goes back to high school. Rog and I did a canoe trip from Bone Lake to the mouth of the fence river over a three day weekend Char dropped us off at Bone Lake made sure we had all we needed, wished us luck and went on her way. It started raining soon after we started down the river and never let up, three days later big Rog was standing on the DNR bridge above the mouth of the fence with 2 towels on his arms "MOM" made sure he had what was needed for two very wet and weary travelers. She always treated me as one of her own, I am blessed to have known her and will always remember her as my other "MOM". May peace and comfort find all of you, God Bless. A friend always, Joe Hoenig.
