

Chester "Chet" Benson

December 23, 1933 - December 23, 2011

Chester D. "Chet" Benson, 78, of Iron River, went home to be with the Lord on Friday, December 23, 2011 at the Northstar Health System in Iron River.

Chet was born on January 28, 1933 in Stambaugh, MI, son of the late Norman and Betty (Lindeman) Benson. He graduated from Iron River High School in 1952 and was a lifelong resident of the area. Chet married Virginia "Ginny" Meyers on July 14, 1956 in Ewen, MI. He owned and operated Snowmobile City Arctic Cat dealership and restaurant in Iron River for many years, earning top sales credentials for Arctic Cat snowmobiles in the Midwest several times. He attended Reisch Auction College in Mason City, IA in 1964 and was a well known auctioneer in the area. Chet also was a real estate broker and owned Riverland Real Estate for many years. Most recently he was affiliated with Century21 Goldwood, Inc. in Iron River. He was a member of the Iron County Search and Rescue and a board member for the Iron County Chamber of Commerce. Chet enjoyed flying and was a small aircraft pilot and member of the Civil Air Patrol in Eagle River, WI. He and his wife were well known musicians, Chet and Ginny, who played all over the Midwest and Texas. They made appearances on the nationally syndicated radio program, A Prairie Home Companion. They were the live entertainment at the U.P. Championship Rodeo for 42 years and played at several Iron County Museum functions, including the annual pie social, for over 40 years. They also developed the Great Northern Opry in the U.P. in the early 1970's as well as producing

several Country Western and Gospel recordings. They also spent many years performing "A Country Christmas with Chet and Ginny" for the local Snaps with Santa program. Chet was an active member of the U.P. River Church in Iron River where he played his guitar every Sunday. His kindness and generosity were evident in many ways. He donated his auctioneering services to the Iron County 4-H Fat Steer Sale at the fair for many years and he also spent one night each week for over 20 years speaking and ministering at the Mission Bible Training Center in Gaastra. Chet was a devoted husband, father, grandfather & great grandfather. He enjoyed going to camp, hunting, fishing and most importantly time spent with family. One of his greatest joys was serving as a founding member of the exclusive DSC.

He is survived by his wife of 56 years, Ginny; seven children, Barbara (Bob) Moncivais of Iron River, Ed (Hydee) Benson of Iron River, Rosemary (Donie) Malitz of Pearson, WI, Punner (Mike) Franzene of Iron River, Lynda (Wade) Cross of Crystal Falls, Amy (Mark S.) Chet was preceded in death by an infant daughter, Virginia; an infant brother, Norman; and his brother-in-law, Lindy Lindbeck.

Visitation will be held on Wednesday from 11:00am until 2:00pm at the U.P. River Church in Iron River. Funeral services will follow at 2:00 pm at the church. Pastor Jim Pellizzer will officiate. Burial will be in the Bates Township Cemetery in the spring.

Pallbearers will be his son, Ed Benson, and sons-in-law, Bob Moncivais,

“ I grew up down the street from Chet and Ginny. I often wandered into his shop and watched as he worked on snowmobiles. He gave me a ride in his J-3 Piper Cub. I loved aviation from a young age, and I remember that flight clearly to this day. We flew down to Land O Lakes for fuel and came back. Now over 40 years later I have spent a whole career flying airplanes. Those early experiences surely impacted the trajectory of my life. Thanks Chet.

“ Happy Birthday Dad. We sure do love and miss you! We have suffered so many recent losses with Auntie Mona, Auntie Jean and Uncle Ronny. We know that you're altogether. What a homecoming I'm sure. We think of you everyday. We still go to camp and we take the river trips to honor you! Love you, Bee

“ Hello Dad,
missing you this Christmas, sure wish you were here to join all of us in the Christmas Caroling. We got mom to pick up the accordion to accompany our voices. You would have been proud. She played and sang. It was obvious though - we missed your "bass" voice. It was fun but sad all the same. We gave thanks and expressed appreciation for who are here now but paused in remembering you, Bob and Donna. 2 years yesterday you went home, but 3rd Christmas celebrating our Lords birth. Sure miss your voice and hugs.

“Happy Easter, Dad!! it’s been over three months since you have been gone though it feels like yesterday. Your contagious smile, laugh and hugs are missed. I love and miss you. I dreamed of you last night, again, but this time it wasn’t a whisker-rub. I do remember laughing A LOT. You were holding me upside down by my ankles! Hey, I need a favor; I need you to look down from the sky and make mom laugh and smile again. She misses you terribly. I don’t know how to comfort her. Can you give me a sign? Thanks for watching over us. I know you are in a better place. I saw a car like the old yellow station wagon and I remember how VERY scary your driving was. I would roll side to side in the back of it, on the way down to Great America and you WEREN’T changing lanes!!! I think Amy was too afraid to sleep . I remember how you wanted to show-off on your four-wheeler and you tried to pop wheelies in the snow! Not good. Oh, and I know you are holding my “Maybe” up there, and dancing with him to music, in the kitchen--like you used to do with mom. Thanks for watching over him! I miss him deeply. He has some good company up there now! Me and Dog just watched the video of you and mom, with us speed-boating on the chain. That was an awesome day, with a million sparkles on the water. You always laughed and enjoyed a good time. Great memories! I liked when you’d pop out your dentures for me and be Gummy!! And.....wherever this gypsy-child landed, I could expect an encouraging note in the mail from you, and it always said the same thing, “Good luck!” Love, Dad. You are one of the warmest souls I have ever met. So my tears are happy because you are safe now and comfortable. I was talking to Mom last night, about what Heaven is like? She said it will be a wonderful place and when it’s her turn she wants you there waiting for her. So there’s the memo. We love you. You got a big job ahead of you... being a personal guardian angel to mom. Please watch over her. She is going thru a great deal. . She really misses you; I hope you feel that in your heart. You come up in conversation often. I’ll never forget our times together. Especially when I got stranded in Green Bay and you had to drive all the way down on NO NOTICE and rescue me; Then on the way home----- I never knew anyone could drive while falling

asleep at the wheel! You swerved to miss a deer and then blamed the deer!! I was crunched against the door, looked over at you--your hair was standing straight up! (Lotsa laughs) I drove after that, but I still I miss you making my heart race!! LOL .I will never forget that night! I always could count on a Daddy rescue. I sure wish I could give you one more hug. It's strange to comprehend that I can't call you up and talk to you. I miss your voice. Please keep looking after me. I can't wait to see you again. We all miss you soooo much. I'm far away but this condolence page is a huge comfort and support for all of us kids and Mom. It's a tribute and celebration of how you have touched so many lives. So, I was thinking of you today, like everyday. Love and miss you, Dad. You are a good soul. Remember to brush Maybe for me. You said his purrrr was comforting. He WILL snuggle by your head at night on your pillow. Love, Heidi

“ *I was so fond of Chet - my Dad's (Jim Benson's) musical Iron River cousin - who encouraged and inspired me to pursue music from childhood. I will always remember Chet's deep booming voice and his strong presence. I wish we could have been together more often as it was always joyous.*

While he will be missed by his loving and growing family here on Earth, he will, no doubt, be welcomed by those who preceded him in heaven.

Peace to Ginny and family.

We want to express our deepest sympathy at the passing of Chet. We have many happy memories over the years listening to your mom and dad entertain at the rodeo. It was always such fun sitting out on our deck across from the fairgrounds listening to them sing. It was definitely a tradition for us and something we looked forward to. What wonderful peace you must have knowing that he is in heaven with the Lord, and how wonderful that by accepting Christ, you can all be reunited again someday. Praise God!

“ To the Benson family...My deepest sympathies for your loss. Chet helped me find our wonderful wilderness property in Iron county and also his very capable son in law Mark Johnson who built our cabin. I didnt know him well but dropped in to chat occasionally over the years and tried to get to the Fair to hear him sing with Ginny. He was always so friendly and helpful...one time before we had cell phone service he drove the 40 miles to our cabin to let me know of that my wife had an emergency with one of her children ...way beyond the call of duty. It wont be the same driving thru Iron River and knowing he wont be there

“ I'm so sorry for the "Chet-shaped hole" left in the lives of every Benson; and everyone he's ever met. Chet always had a smile, a laugh, a story for "Alpha's grand-daughter", the city-mouse from Cleveland. Trips to Iron River were not complete without hearing Chet and Ginny sing somewhere; the fair, Losey's, anywhere! “ Dear Benson Family,
Brent and I are so sorry to hear of the passing of your beloved husband, father and grandfather. The first thing that came to mind when I heard was how glorious it must be for Chet to be in the midst of heavenly worship at this very moment. I know he is experiencing joy beyond measure and is singing his heart out. I have had the honor of spending a few moments amongst your family and in those moments it was so evident how much love you all had for each other and especially how much he loved each of you. It was especially obvious that Ginny is the love of his life and that He is hers as well. Brent and I have since been blessed to enjoy friendships with many of you and we are so thankful for that. Our thoughts and prayers are with each of you as you go thru this very difficult time. May you each feel the comfort of our Lord and Savior.

Im so blessed that Rory, (my daughter) got to meet her Great Grandpa Chet. It was always a joy to bring her to the house and watch you smile and clap with her. Unfortunately she will never know the feeling of storytime on grandpa chet's lap, and whisker rubs, but I will wont hesitate to tell her about them. I love you and miss you Grandpa, I always will, but no worries, I will take care of Grandma like I always do :) We will get a chance to go fishing when we meet again in Heaven. “ We went to the Assembly of God church starting in 1992 when Pastor Kolenda was there- for many yrs it was a huge blessing to have our former pastor Kolenda (now deceased as well) playing at the piano and Chet always there, always faithful, playing his guitar along side pastor Kolenda- they made a great team!! I had a special privilege a few times over the yrs. to play my flute while pastor kolenda and chet did the piano and guitar. Even when there were times of changes in the church with a few different interim pastors, (now it is called the River church with Pastor Jim Pellizzer) but in yrs past in times of transition, when the attendance was very small off and on, still Chet was there every time, playing his guitar! Here he was, famous for this town and more, and he still sat up there and played for only 7 ppl! Then with the miracle of Pastor Jim arriving and the U.P. River church coming together, Chet was there, his faithfulness NEVER ceased any of those yrs!!! Our family has been blessed in so many ways by Chet and Ginny- and we fondly recall when Pastor Jim Pellizzer had the special July 4th service last summer in 2011- how Chet and Ginny did a few numbers, and they did so good, and we were teary eyed over the love they had, and the talent as they blessed us!! they have been 2 of the most kind, sincere, genuine ppl, true examples of godly people- always a smile and hug for everyone. We always enjoyed them and not only their musical talent, but the kindness they showed to all in the church. Even recently, it showed Chet's faithfulness to go every time with his oxygen tank, and still go up in his customary spot in the church and play his guitar. It has been sad to see the piano empty with Pastor Kolenda gone, and now it will be extra empty with Chet's spot now empty. We greatly admired him. We pray for Ginny at this time, and the entire family, and we loved him. What a legacy he has left behind!! Our deepest sympathies! Harris/Hoogenboom's

“ To my extended family I am so very sorry for your loss...Bates, The Rodeo, fair, earch and rescue, life, and so many other things will just not be the same without you around. You have left a little piece of yourself with so many people in this world that your legacy will live on forever! Your guitar may sit idle but your spirit will sing in our hearts forever! We love ya Chet!!

“ Chet and Ginny were always one of my favorite visits when the family got together. I loved the music and it is one of the reasons that I still run a small music company in my area. OF course Chet always had a kind heart and I still remember when he borrowed an old Artic Cat snowmobile to my dad when he was sick back in the 60'. I can still remember that old red and white snow-tank and the fun we had with it.

My condolences to Ginny and the kids on Chet's passing.

“ Dear Ginny,

I am so sorry to hear you have lost your beloved soul mate. Sounds like you have lived a wonderful busy life and that Chet was a Christian and is now fully alive in the presence of His Lord Jesus.

I remember you from High School at dear old Ewen High. You were so cute. Have not seen you or heard about you since I graduated.

*Love in Jesus,
Anita*

“ On behalf of my mom (Eva Lindeman), and the rest of the Elvin Lindeman family, I'm writing to tell you how sad we are to hear of your loss with Chet's passing into Glory. Chet was very special to all of us -- a wonderful nephew to my mom and dad, and a great cousin to me and my brother Bernie. As a kid, and into adulthood, I always looked forward to visiting Chet and Ginny at their home, gathering over at the old Benson farm with the rest of the Benson relatives, or having y'all come to visit us in Winona. And, whenever Chet and Ginny were around, I knew there was gonna be some great music played/sung during the visit. I always loved it when Chet and my dad would take out their guitars, along with Ginny on the accordion, and we'd all sing a lot of nice old songs. The last time I heard him and Ginny sing was at my dad's funeral 7 years ago, and it was such a blessing to have them come to help send off Uncle Elvin with some beautiful music. But, as gifted as Chet was as a musician, there was a lot more special about him that went beyond just his musical talent. Yes, I'll truly miss hearing him singing and playing his guitar, and also I'll miss hearing him doing his auctioneering, but mostly I'll just miss him, because he was such a sweet guy, with a heart of gold -- always so gentle and kind to everyone around him. He had a true servant's heart, and was the kind of person who'd drop everything to help someone. I'll look forward to seeing him again someday in heaven, along with Auntie Betty, cousin Lindy and others. Oh, it'll be a really sweet reunion up there someday, that's for sure!

“ The first time I met Chet was the day a little boy wandered away from home and got lost in the woods. Chet, other neighbors and the Iron River National Guard came out to help search but it was Chet, on his 4 wheeler, who found the little guy and brought him home.

Everyone was so relieved and grateful for a happy outcome but Chet left before I had a chance to talk to him. I tracked him down at his home and he met me at the door. I introduced myself and then shook his hand to thank him for his efforts. He was teary eyed and told me he had grandkids so he understood the anguish a parent would have over a missing child.

Chet, you were a true friend to the community and we'll miss you.

“ Dear Dad,

I know you were taken home peacefully and have now reunited with Grandma Betty. You have no idea how much you are missed already. As us seven children grieve painfully from your absence we also rejoice in knowing you are home where God has prepared for your coming. As the angels trumpeted your arrival I have no doubt you already asked for a guitar to play along. We will take very good care of Mom and embrace her so tightly as you have asked us to do - no need to worry about her although there will be a hole in her heart that only you could fill. Right now she is weary and terribly lonesome but I know God will strengthen her every day and I know YOU will encourage her through her dreams and decisions, you were always the optimist. It will not be the same without "Chet and Ginny" or Mom and Dad but we will see to it that she remains special on her own. As your children, we witnessed your loving spirit and always giving to others giving unselfishly every time. We have learned to be who we are by who you were. We love you dad and cherished every second we had you. We give thanks to our Lord for the gift He gave us in you and miss you ever so deeply. The pain is deep but our laughter and memories will comfort us. As a family, we always said "I love you" . When I told you that today I did not hear your voice, but I felt your blanket of love wrap around me. We miss you dear 'ole dad and wish we could hear you one more time. Till we meet again. My deepest Love - Punner
