“ So sad to read this passing of Claude. He was a good friend of our family when we had our summer vacation property on chicaugon lake in Iron River just down the road from him. We are from Chicago and each year we went for vacation we would meet up with him all the time either by his house or at our mobile home. He liked my moms cakes she baked and would come over at night for cake and coffee by the bonfire. He was helpful too lending advice to my dad with projects. Spent many times going to town with him in his oldsmobile or caddy with my girlfriend Jamie who is now my wife. I last seen him around 2002 while on vacation in Florida we connected while taking a drive to ST Pete's found out we were right near his house and we all went for dinner with his lady friend but i just cant remember her name. Talked to him a few times since. Great Guy Great friend. Please share our condolences to the family. I have more memories of Claude! R.I.P. FRIEND

“ It was real nice to see Claude the past few times I traveled to our hometown in Crystal Falls. Spent many hours on the phone with him talking about cars and car repair. Also about talking about growing up in CF. Wish I knew Lucille's last name. She was the person he would take fuel oil to on his bicycle before going to school some mornings. Gave him an old clarinet one time when she couldn't pay him for the oil. I got the clarinet working and call it, "Lucille." He was my go to person when I ran into car repair problems. It was amazing how Claude could talk my son Jameson and I through getting our Beetle up and running properly. When working on it, I sometimes think, I'll just call Claude, and then remember. He is truly missed by my son and I, but his memory will live on through us.

*“ Claude was at Fort Gordon and then Hanau, Germany with the 626 Repair Parts Co., US Army in the 1960s. My husband was with him. Claude contacted us in 1999 with the idea of a reunion. He and I were able to locate some of the guys and met in Nashville in Sept 2000, 2002 and 2004. It was great. We kept in touch by phone and met again in Michigan several years later. Claude was a true friend and will be missed by many. My husband has Alheimers now but still can share a Claude story from time to time. We send our sympathy and prayers. God bless!
