“ Condolences to the family & friends. Faye was always friendly. Our paths crossed many times in our small town. In many ways she was the face of the town.

“ Dear Chet & family Having grown up with Robin I was blessed to know Faye since childhood. She has always been a loving kind person to everyone including me. I will not go into detail but wanted to share that during a very vulnerable period in my life Faye reached out to me to let me know that she & others cared. Through the years her kindness prevailed even in the past several months at Willows. Her smile touched my heart whenever I saw her there as I was visiting my Mom & what has become our “Willows family”

She will be missed God bless you & be with you all during this difficult time & in the days ahead
