“ Thanks for being a great guy friend to me. Sorry we didn't get the chance to meet up so I could see your new house. This just breaks my heart. I texted you today and your Dear Mom told me you passed. So heartbreaking. Till we meet again. Xoxo Jenny

“ Where do I begin??? I can't believe you are gone! You and I became friends through everything in the last nine years. We had great conversations & good laughs. When I look at Genny, I see so much of you in her. She loved you very much. You will always be remembered for the amazing guy that you were. Watch over your beautiful daughter and guide her through her journey in life. You will be missed! Rest in eternal peace!

Deepest sympathies to Gary's family. There are no words that can truly ease your pain, but I hope your memories soon bring more comfort than pain.

“ I'm not sure what to say or how to feel. This news has broken my heart and I'm so numb. Gary had touched my heart like no one else could. He was a dear friend and I had mad love for him. We had such great times and some not so great times, but all in all, I still loved him. I'm so sorry for his loss. My heart hurts for Genevieve. It's so terrible that such a young girl will never be able to see her daddy again. 😭 my thoughts and prayers go out to her, her mom and his family. Gary, may your soul rest in eternal peace forever. I love you always.

“Tom” wasn't only a great friend growing up, he was my best friend. So much a best friend that I know his name is Gary not Tom. A little proofreading goes a long way. Especially regarding someone's legacy. Miss you my brother.

Amen! 🙏 it's sad that it was overlooked that they not misspelled, but actually put the incorrect name in his legacy. So sad! 😭
