“ Gary and I were best friends in high school and afterwards. On the CBs he was Butch and I was Sundance. We drifted apart after I moved way and was in the Navy. I remember a time I came home on leave and we went out. I got so drunk, My car was at his Mom and Dad's house. We drove back to his parents, I got in my car and he guided me down the street on the CB. I thought we got away with it. Only problem was, our CBs bled over on my parents TV. They heard our conversation on the radio. We were crazy kids, I was thinking about him the other day. That is when I decided to do a search and found out the sad news, my friend was gone. He still looks the same in the photo. My deepest condolences to his wife and mother. It is not truly gone as long as we remember.

“ It is tough to lose Uncle Gary. He always gave the best Bear hugs when I was a kid and was one of the funniest and happiest relatives I had. It is nice that my parents have Penny to take care as I know she will miss him as well. Thanks for being a great Uncle and I will miss you.

“ Sending sincere condolences to Gary's wife and family, I was a good friend of Gary's back in the 80's. We had plenty of parties at his apartment, as well as a big bash for my 21st birthday. Gary was always the fun loving teddy bear. I haven't seen him since the 90's but I remember him just as his picture here is. He was a great guy. I am sad to hear of his passing. With Sincere Sympathy. Terri

“ Dear Lori,

My heart goes out to you and your entire family. Although I only met Gary a handful of times, it was always clear that he was a warm and loving man, and totally devoted to you. I'll never forget how kindly and patiently he conversed with my dad at Mary & John's wedding. I also liked how he called everyone "dear". What a sweet gentleman he was.

With deep sympathy,

Maggie and the rest of the Mohrs

“ My wife Audreen and I will miss Gary. I wish I could have seen him in person more the last few years. We are happy to be taking care of his beloved German Shorthaired Pointer Penny.

Gary and I grew up together in Cicero. Since we were close in age, he was like a younger brother to me. We both attended the same high school and hunted and fished together when we were younger with our dads.

Our prayers go out to his mom, my Aunt Viloet, and his sister Chris and her family as well as his beloved wife Lauri and her family.

Thanks

Clarence and Audreen Mengler and Penny Mengler
