

George Weith

May 3, 1954 - May 10, 2022

George Weith, 68, of Amasa, passed away on May 10, 2022, at Marshfield Medical Center in Wisconsin after a courageous battle with cancer.

He was born on May 3, 1954, in Des Plaines, IL, son of the late Clarence and Evelyn (Stade) Weith. He worked in the alarm service industry for 40 plus years, excelling at his career and being recognized yearly with the Club Excellence Eagle Award. He retired in 2014 to his dream log cabin in the woods where he enjoyed hunting with his family and friends. He was an avid fisherman who received so much joy sharing that passion with others. He also loved NHRA Drag Racing – a fondness he shared with his brothers from their earlier years racing on the track. We were all very blessed to call him husband, Dad, Grandpa, father-in-law, brother, uncle, or friend. He will be greatly missed by all who knew and loved him.

George is survived by his wife of 40 years, Cynthia (Passmore); his daughter and son-in-law, Jessica (Steve) Vargas; granddaughters, Nytiri and Kamryn Vargas; brothers, Jim (Jan) Weith and Jack (Betty) Weith; sister, Judy (Wayne) Wagner; and half-sister, Georgia Clare Baldwin.

George is preceded in death by his brother, Jerry Weith.

“ We are sure going to miss your happy smiling face down here. Your generosity with all your fish and fishing skills. Just not the same. Prayers for your family, Kathy and Dave at the cabin.

“ I knew George from him calling on our manufacturing company. He was great at sales relationships. His honest straightforward approach was wonderful and I enjoyed hearing about his retirement plans and house in Wisconsin as he approached retirement. Glad he was able to have time there although there is never enough time as we would wish. Love the picture enjoying his catch. May God's peace and Joy extend to the family in the memories of George.

“ I will always remember sitting down with Uncle George, combing his hair with water or giving him fake tattoos with a ball point pen. Aunt Cindy and Uncle George taking both my brother and I up north to spend time together. It meant the world to us. We would always mess around, and have so much fun. No matter what, he always put a smile on my face. I will forever cherish those moments, and hold them dear to my heart.

“ We were so heart broken to learn that George was not well. George brought so much energy to every conversation and was always a joy to be around. He was a man of unmistakable presence. The love and devotion he had for his family and friends was unequivocal. It is wonderful that he was able to realize his lifelong dream to retire and build/live in his Michigan dream-home doing what he loved with his favorite people. We should all learn from him in that respect. Even so, his time was cut far too short. We are so truly sorry and hope that his memory will be a blessing during this difficult time.

“Cindy and Jessica, Gail and I were shocked to hear the news. Even though in the last few years we had not been in contact I still viewed George as a good friend and it was a great gift to work along side with George at Wells Fargo. He was such a hard worker, and we enjoyed pushing each other to excel. I certainly hope he enjoyed your beloved homesite in Michigan to the fullest once he finally embarked into retirement.

We have said a prayer for George and we wish you the deepest sympathy. May God give you special blessings at this time of sorrow.

I missed my friend the last few years, and will miss him more now.

“ George was my youngest brother and held a very special place in my heart. We lived 1000 miles apart but I spoke with him often, at least several times a week. We talked about politics, fishing, the stock market, fishing, lake levels, and you guessed it, fishing. He would tell me everything he did that day and what he’s going to do tomorrow. Sometimes more than once.

George was a friend magnet, the best friend anyone could have. He had a heart of gold and he had many true friends to prove it. I visited him many times at their place in the UP all the way back to when it was just a hunting camp. It was always a party with him, Cindy and their many friends. Whenever I went to leave after a visit and we were saying goodbye, we would both tear up.

My two sons and I visited George and Cindy last October for a few days and George loved having the three of us there finally. As you might expect, we had a wonderful time.

He has left a big emptiness inside of me.

“ George would do anything for his friends. We were lucky to have him and Cindy as Up North neighbors for many years. One memory stands out as he and Cindy helped us drag an over 300 lb. bear that Terry shot, out of the woods one evening. It wasn't easy!! You could always count on a great party, good conversation, and lots of help when needed. He will be greatly missed. Sending our love to Cindy and Jessica.

“ The month of May in Arkansas will never be the same without the George in “George & Cindy”.
He loved to fish day & night.
He loved filling our freezer with the fish they both caught and cleaned and wasn't satisfied until he did. And he always did.
He loved celebrating their May anniversary at Gastons.
He loved joining us at Blacksheep BBQ, another “must stop”.
He loved playing cards, especially 5 Crown, which he introduced us to and is now a Weith family favorite.
He wasn't happy when I won.
He loved emptying our jar of mini Twix candy bars.
He loved to show off their incredible compound on Diana Pond and give you the royal treatment.
He loved Cindy, referring to her as his beautiful wife.
He loved & was so proud of their beautiful daughter Jessica. He loved his granddaughter Nytiri & Cameron.
He loved his family.
He loved people & was quick to make friends.
He loved life.
He loved.
He has left a huge hole in all our hearts.

“ We met hunting at Pete Reiland’s hunt club 40 years ago and became best friends. George even let me take Oz hunting since I had no dog after just a few hunts. Then the next time I asked he even sent Cindy with, I wasn’t sure if he trusted me with the dog or what. He helped me install my first alarm at new house in Mchenry a short time after that. This guy had a heart that never stopped giving and it shows in the whole family especially Jessica.

“ Oh my! This guy made the best margarita! If you asked him he would tell you that. Had to float a little Grand Marnier on top. Great fun was had whenever George was around. Never a dull moment. His plan was to retire up north. I'm glad he was able to. My prayers are with you Cindy and Jessica and family. 🌹
