“ So sorry to hear about Harley. We played many years ago in bands together. He was always laughing and fun to be around. May he rest in peace and God bless his family.

“ My sympathy to the Davis family. I took great interest in reading Harley's obituary and regret that I didn't know him as well as I could have. My loss is not having known him, his music, and his humor.

“ *I remember Harley from the years he worked for my Dad, John Mattson. He was the best driver we ever had. I remember when he played for my baby shower at the Chippewa bar. And many places the band played at. He had a great sense of humor. I will miss him.*

Harley found humor in the oddest circumstances. Every house he and Fran lived in had connecting rooms that made a circle. In the Jackson house the bathroom was part of that circle. He was always ready with a commentary of sitting on the toilet watching 3 or 4 kids run into one end of the room and out the other slamming the doors shut behind them. He always laughed loudest at his own jokes. Sure will miss his humor.
