“ *I want to put some pictures from over the years of some of the things Helen enjoyed doing. She enjoy tremendously cooking, planting flowers, gardening, family gatherings, canning, baking, sewing, mending, sharing stories from her youth and her family in Poland, going to Church, giving of her time at St. Vincent DePaul, and also cats and dogs as pets over the yrears. She lived a rich full life and was a blessing to many people. She is loved very much and will live on in our memories of her and all that she gave to us by her deeds, and words.*

fondly in my thoughts.
