“ I do not know the family personally, but when my mom was at Medicare in CF I would often see Helen in the hall outside of her room. We had many wonderful conversations, and she would always tell me, “You made my day by stopping to talk to me.” Well, little did she know that she made mine too! What a wonderful lady she was. My condolences go out to your family.

“ Deepest sympathies to you Dale and your family. She was a special human being and I was privileged to help her when she lived on Birch and then on Trillium. It was also fun to have been able to work with you. She was always so proud of you. Take care my friend.

“ To Dale and family,  
We are so very sorry about the loss of your mom. She was like family to us and we will miss her beautiful smile and our visits with her. You were truly blessed to have her in your life for all those years and we were blessed to have her in our lives too. Look for the signs she will give you to know she is at peace and watching over you like an angel. Love Ann Marie and Bob Shandley
