“ To Hope's family-

You are all in my thoughts and prayers during this most difficult time. Marija also sends condolences and reminded me of a memory she had of Hope....One time when Hope was babysitting Marija they watched a pig documentary, not a cartoon, but real pigs! Surprised me that she would have that memory as she was quite little at the time. That says a lot for wonderful, caring, loving Hope. Rest in peace, beautiful Hope.

Hope and I were Co workers at Trico. Shared many grievances with each other. We both hated the boss man, but we sure felt better after chatting.
