Still tryin to wrap my head around this....loved dearly, missed beyond words....lost without my best human treasure....and a BIG FUCK YOU to those spreading bs at a time like this, Al's drunken lies of theft among even more vile and pointless bs from the mouth of a coward, much less than a man, should serve to remind the few idiots out there that NO ONE has deserved to have their life taken, their innocent and beautiful family destroyed, and countless others dealing with unimaginable daily heartache that sees no end. Everyone has faults, vices, flaws, for it is these very things that make us human, and to use these against the deceased for morale justification is beyond morbidly sickening example of the worst of what humanity has to offer-love you Justin, Leeann, and my buddy Michael-

“ I will always remember you as the little blonde girl with the big eyes, that lived a few doors down. I will remember how you cared for your little brothers, Justin and Michael. My heart breaks for them and your Mom.

I will remember the good friend you were to so many.

You are missed and loved. I hope you know that now. Rest in peace sweet lady.
