“ Oh this makes me very sad but I know he is in a better place. I've known Jim since I was a kid coming up to Light Lake. When I left there last September I didn't know it was going to be the last time I would ever see him I will miss my friends so much. Kind, fun, just an all-around good guy. Godspeed Jim 💕

“ *Sending the family of Jim prayers and hugs. Jim has been a part of my life from my Junior High School (1977) days right to the end. He always had a big smile when we visited and I have many memories of fishing, swimming, boating, drinking and delivering the paper with him. My husband and I will miss our visits with him when we stroll through Crystal Falls, but he is not suffering anymore. I visited him a month ago and knew that was the final time i would get a "Jim" hug. I am going to miss him dearly.*

Jim and I were friends since high school and we always got together when I was back in Crystal. I was lucky enough to spend some time with him in October, cruising the back roads and telling stories about the good old days. Jim was an independent soul who died way too young. He lived and died on his terms and I respect him for that. Going to miss you bud, thanks for the memories.
