“ *My most sincere condolences to Uncle Ed, learning of Aunt Joan's passing. So very sorry. I will always remember our cross country family road trips with a special stay at the Jarvis farm. Uncle Ed's bbq steaks, boating on the lake, and a Rock Picnic in the potato fields are everlasting memories from 50 years ago. May Aunt Joan Rest In Peace.*

Sincerely, nephew Matt Ferrick

“ It is with loving and fond memories I have of my sister, Joan---we were best friends growing up in small town Farmington, NM. It is comforting to know she is with the good Lord and I'm sure she is having a glorious time now that she is reunited with family who have already passed !! As my big sister, she was always there for me, we not only shared a bedroom growing up, but often shared clothes, etc.---of course, we had many a good laugh with one another. One summer we were on the same softball team and actually we were pretty darned good !! She will always be in my heart...

Lovingly, Betty
