“ Sorry to see Joe is gone. Malloy and I were just talking about him and wondered what happened to him. We did a search and found this obituary.

Met Joe in Detroit about 30 years ago when he was working for Associated Press installing their receive satellite terminals. Not long after Joe, Malloy Farley and I talked of starting a business in Alpena. It was going to be called HiTech Electronics Repair. Never happened and we all went are own way.

Sorry for your loss.
