

Kevin Ray Hagglund

March 4, 2001 - January 10, 2025

Kevin Ray Hagglund, 23, of Crystal Falls, Michigan, passed away unexpectedly on Friday, January 10, 2025.

He was born in Green Bay, Wisconsin, on March 4, 2001, the son of Ray and Terri Hagglund.

Kevin graduated from Crystal Falls High School in 2020 with high honors. After high school, Kevin went to Advanced Welding Institute in Eagle River, Wisconsin. He worked in Cambridge, Minnesota, as a welder at Arrow Tank & Engineering, but his heart was in the UP, so he returned and worked at the Miller Pipeline and then at the Niagara Fabrication. He recently was working for Tall Pines in Amasa until his knee was healed, then he was going to join the Sheet Metal Union.

He was a sensitive and caring young man and he loved his family and friends, along with his cats, Gabby and Freddie, and his dogs, Buddy and Lincoln. He never let an opportunity for a big hug to go by. Kevin would drop everything to play a game of smear, and he was just getting the hang of playing cribbage.

Kevin enjoyed snowmobiling, 4-wheeling, jeeping, camping, swimming, ice fishing, welding, and hunting, especially for birds.

Kevin is survived by his parents, Ray and Terri Hagglund; his brother, Roy Hagglund (Maggie Zeh); grandfather, Don Benzie; great uncle Bob and Jane Menghini; uncles and aunts, Mike and Lynn Webb, Turk and Mary Jean Thoreson, Robin Hagglund, John and Julie Benzie, John and Deb Gallino; cousins, Michael (Heather), David, Patrick, Jill (Casey), Jeffrey (Sarah), Jenny (Glen), Catherine (Paul), Carlee (Joe), Katie (Mike), and Jeff (Ellary); many treasured cousins and family and his loyal friends, James and Obe's, whom he considered family.

Because of Kevin's wishes, 75 people will benefit from his organ and tissue donation through the Gift of Life Michigan out of Ann Arbor, Michigan.

Kevin was preceded in death by his grandmothers, Lou Jean Hagglund and Elizabeth Benzie; his grandfather, Roy Hagglund; his uncle, Eric Hagglund; and his aunt, Patricia Hagglund.

As a family we are heartbroken and devastated by the loss of our son, brother, grandson, nephew, cousin and friend. We hope that the wonderful memories we have of his awesome smile, particular mannerisms, voice, and laugh will somehow carry us through this incredible pain.

Family will greet friends from 10:00 am to 12:00 pm on Thursday, January 16, 2025, at the Christ United Methodist Church in Crystal Falls. A service will follow at 12:00 pm at the church. Pastor Vicky Prewitt will officiate. A luncheon will follow at the VFW after the service.

In lieu of flowers, a memorial will be established in Kevin's memory.

Condolences to the family of Kevin may be expressed online at www.nashfuneralhome.net.

The family has entrusted Nash Funeral Home and Cremation Services of Crystal Falls with the arrangements.

“ Ray, Terri and Roy
Ann and I were heartbroken to hear of your loss. Kevin was a wonderful young man. I enjoyed his visits to our cabin. The first time I met Kevin he was a little boy. He said hi and immediately asked what kind of car did I drive and how much money did I have in the bank. He looked disappointed with both answers. That memory always makes me smile.

“ Ray, Terri, Roy and family my heart aches for your loss of Kevin. The first time I met Kevin he was 5 and he walked in the school office with his cowboy boots on and told me the story of the dinosaur living in his garage. I had the privilege of watching him grow and mature into a kind young man with such a mischievous grin. Our thoughts and prayers are with you and may all your memories help you through this difficult time. In deepest sympathy....Deb and John Strelecki

“ Ray, Terri and Roy, we're so sorry to hear of your loss. They say a simple smile is infectious and will bring a smile from others. How true. The first time I met Kev was at the golf course. He walks in with this big smile on his face and sits down next to me and says "Hi I'm Kevin" I said, you gotta be Rays kid! His smile just got bigger and says "Yup, How'd you know? and the conversation just continued. He was always a pleasure to talk with and made me smile every time I saw him. Such a great kid!
Our thoughts and prayers go out to you during this difficult time.
Sincerely.

“ After just becoming closer to Kev this summer, I can say with certainty that he was a special man. From the few summer nights I spent with him, to him always offering to attempt to make me dinner and watch hockey (even though he claimed to not like it), it makes me realize I sure was lucky to know him. My condolences to your family in this time. Keep your heads up and know that you have a strong community around you to lean on!

“ When Kevin and Roy were little, we told them a story about the DNR trapping poisonous bats on Long Lake Road in those purple traps they used to hang in trees to capture invasive caterpillars. Somehow that led to another story about me being their older sister. Every time I saw Kevin he'd give me a hug and call me "big sis." What a smile that kid had!
