“ *She was always laughing and loved to play cards/games with us grandchildren. Treated friends of ours, that would come up, like family and always cooked her brains out for us. Always something that was your favorite. I miss those days. She is finally at peace and back with her daughter Gaye and Grandpa and her parents. She was one of a kind and will be sorely missed.*

“ *My condolences! Did she live on 4th St., in Crystal Falls? I remember her as being short in stature (height) and always smiling and so very friendly, liked everyone and made a person feel comfortable in her presence, feeling accepted with no judgement! Blessings!*
