“ *Leno, Dennis and Patty, I have fond memories of the Bossman. I think about him and those big cigars he always had on him every time I fire up the occasional Stogie. And I'll never forget the lessons he gave us all at the poker table. Great man. And I know we'll all see him again one day when it's our times, and he'll have the lake plowed, ice shack warm and a cooler full of beer waiting for each one of us when we get up there. God bless him!*

“ Dear Patti, we are so sorry for your loss. John was reminiscing about all the fun he and Leno had 4 wheeling, hunting and spending time at camp all the years they have been friends. He was talking about all the hours they spent together in the bait shop drinking coffee and talking.

We will both always remember Leno and his absence at hunting camp in November will really be noticed. Let us know if we can do anything for you and your family.

“ Dear Patty,

We were so sorry to hear of Leno's passing. As a child I have fond memories of him when they would come to Hermansville for family dinners on Sunday. He was always playing with us kids. There were other things he could have done but chose to always play and give us so much attention.

*Our prayers are with you and your family at this difficult time.
Love,
John and Sheila*
