“ Loren and Darlene are very special people. They are very dear to my heart. It brings a smile to my face when I reminisce about Loren and I dancing to our favorite music. Very sad that he has left us, but know that he is up there dancing as he listens to Frankie Yankovic, Frankie Kramer and many others..... Will miss you.....

“ For so many years, I would see Loren on his daily walks from work in Stambaugh and we would exchange the news of the day. He did good work for me over the years. He and Darlene were good dancing friends of my parents. RIP Loren and God's blessings to you, Darlene.

“ Our family would like to express our deepest sympathy for your loss. Some of my fondest memories as a child growing up were watching Loren and Darlene dance when they would attend events that our parent's Chet and Ginny would provide music for. Loren and Darlene were excellent dancers and a joy to watch. You are in our prayers Darlene. May our Lord in Heaven comfort you and give you peace! - The family of Ginny and the "late" Chet Benson.

They were awesome dancers! So smooth and so fun to watch. They were the envy of so many as they danced across the floor at their beloved polka fests!!
