“ *Well, here I sit 4 months later and only learned last night about your mom's passing. I simply have no words to say except that the years spent with her and my mom will always be cherished. We sure had a lot of fun whether we were playing cards or on one of our every-other-week shopping trips to Iron Mountain. Please forgive this inexcusable delay in getting in touch.*

“ *Dear Jerry,*

*Johnny and I were so sorry to read about the death of your dear mother. Like Larry Polich, we enjoyed being your neighbors while we were growing up. Your mother was always so kind to all of us "kids" and we are glad that she was a part of our lives.*

*Thinking of you and your family at this sad time...*

“ It's been so many years since we lived next door to you. (1957) Our mothers (Olga) remained friends for many years after she moved to Stambaugh and then to Milwaukee. She passed away in 2011. Your mom was a wonderful person and a great friend.
