“ Jackie and Jimmy and the rest of Louie's family. I'll always remember the summers that Louie was home while we were growing up. He'd stand on your back porch and yell for Jimmy, but because he was deaf it would come out "Shimmy" I last saw Louie last summer, he was telling us that your Mom/Grandma was sick, and now there both gone, how sad, they are both missed. You are all in my thoughts and prayers.

“ Louis will be greatly missed. I used to love talking fishing stories
with him, and watching his fish size shrink as I gave him that "sure"
look. He was a good man, and I will miss him not being around
when I travel back home...
