“ I am thankful to have known Margie throughout my 14 years here in Crystal Falls. Always down to earth and real. She was a pleasure to spend time with in church where she loved so many and loved her Lord so faithfully. Margie had a great sense of humor and I will miss her presence in this life. I know she is now at rest and at peace. That I am so thankful to know and understand. May her family find that same peace, knowing how greatly she was known, for who she was, and so well loved in this life and the next.

“ I'll miss Margie's laugh whenever I ran into her at the grocery store and years ago when we went to foster parent training together. It was nice to meet her son and his father this summer when they bought my neighbor's tri-hull boat to work on together. I'm sorry for her family's loss.

“ Margie was a joy to know and a friend who always stood by you. We had so many great times in high school, and in her VW Bug (no heater and no one cared)! Our classmate, our friend, a cousin. I will miss her laugh, her smile and her hug. She's in Jesus' loving arms now. Until we meet again.
