“ *Jack and Debbie and Connie and families, sorry for your loss. We had good times with Marilyn at Lake Emily. She was a real pip; a riot to play cards with. She loved her family and was happy to see friends and family. Byron says, "She always gave me a hard time when I needed it." She always spoke her mind and was a great person to be around.*

“ Jack and Connie and families,
So sorry to hear of Auntie Mare"s passing. She was always so sweet and led a full life in which she was smiling far more than not. My favorite memory was based off a childhood memory in which I ate her green beans with gusto when invited many nights for supper. A few years ago I told her about those beans and my fond memory of them. She just laughed and smiled and without putting on airs said, Just butter, catsup and onion salt and stir them in the pan! Uncle Jackie always wanted them like that." They tasted gourmet to me and the recipe was so simple.

Bless you, Aunt Mare. You will be missed. Give Uncle Jack a hug for me,

Condolences, Jack, Connie and families. Many will miss her.

Much love,
Wee
