“ *Marty and Bob were some of the first people that my parents met when they bought property in Crystal Falls. Bob was always willing to help them with their projects and Marty welcomed by parents into their home and treated them like family. Her loving memories will live on every time we feed the birds just as she did.*

“ *Words cannot describe the amazing woman Maty was, she had a heart of gold and would drop whatever she was doing to help someone in need. With all of my Mom's family (Nellie Novey) living in different States she so gracefully took care of Mom, took her shopping, to her Dr.'s appointment, the list goes on and on. Mom and her became very close over the years and Mom felt in her heart that Marty was like a daughter more than a friend. She will be missed by so many but will live on in our hearts. Please accept our prayers and sympathy at this sad time in all your lives.*

*Always a Friend,
