“ Jan:

*I loved your nursery and was a frequent customer. Once you and Mike came out to our cottage on Loon Lake in the Florence area to provide some advice. I was so sorry to hear that Mike had Alzheimer's and now, several years later, to learn of his passing. What a hard time this has been for all of you. I know how difficult this disease is. I hope you have been taking care of yourself as well as Mike.*

“ Jan,

*I have only pleasant memories of Mike. I pray that your heavenly Father will comfort you as you walk through this season of life.*

*Perhaps this spring we could make plans to get together, since we're really not that far from each other 'up here' in the north woods.*

*"I lift up my eyes to the hills--- where does my help come from? My help comes from the LORD, the Maker of heaven and earth."*

*May He bless you and keep you close to his heart at this time of your grief.*
