“ Condolences to family & friends of Nancy. I, too, am a resident of Florence Health Services, where Nancy was for her last days. I did visit her and explained how I knew her. She was very weak, but said the memories were coming back to her memory. I remember when she was a Nurse at the Falls Clinic and our paths crossed many times in the community, even connected by mutual friends or relatives!

“ My sister Nancy is now at her eternal home. I will miss her presence here on earth and at the other end of the phone line! We had many fun times together. She was 10 years older than me but we were more like equals. Nancy, though quiet, was a very social person. RIP dear sister until we meet again. Love and hugs. Kathi
