“ I want to thank everyone for their condolences, it is very much appreciated. This has been a difficult time for us all.  
I would like to let you know how strong my mom was.  
In a 10 year time frame she had a triple bypass, Non-Hodgkins Lymphoma and this last triple bypass. She fought so hard but it was time for her to rest.  
My dad & mom met on a blind date on April Fool's, 2 weeks later he proposed and 3 months later they were married. This year is 49 years for them.  
My dad is doing the best he can, but I can only imagine how much his life has changed. Again thank all of you as I know my brother and I have also received messages via Facebook.

“ To Chuck and family, Pam was one of the sweetest ladies that i have ever met. She cared so much for her church family. Her love for God was evident in her life. She is looking down on us now as she walks the streets of gold with our Lord. Barbie and Jimmy.

“ Chuck and Family, Pam and I had a wonderful time at the women's retreat in Oct. We shared a room this year and I got to know her a little better this year as we talked about different things. She was a wonderful woman who loved God and showed it in her daily walk. I am sad she is gone...but rejoicing that she is with God and watching over us all. She prayed for us all daily...I'm happy I got to know her and had someone care for me, sent me cards and love me as she did. Prayers for your family as your going though this time.
