“ Patricia I never had the pleasure of meeting you, I wish I had . However I know your son Sean for some time now , he has spoke so highly of you , he has missed you dearly , he planned to go see in 2019 , you and his Dad , however plans changed , due to jealous envy people that made the past few years difficult on your son, causing Sean to not be able to fly to Michigan in 2019 and visit his Mother and Dad. That breaks my heart that you and his Dad left this world before Sean was able to see you .I can only hope, and I do believe that your up there on heaven looking down on all you left behind. As for Sean, Patricia I'm certain your with daily through out the past few years Sean has had to go through training to serve is county, in a manner God sets out for all of us. Sean is a wonderful person; I've enjoyed the friendship I've built with Sean, he's a hard worker, a man of his word, I'll be seeing Sean soon and it's a say coming that I've waited for , for some time .I plan on giving him a huge so tight it will fill his sad heart with ❤️ love. He will be dealing with alot once he's back here in ogden utah , deciding if he stays here in ogden or goes back home to visit his sister and the resting place of his mother and dad. God bless the fortins , God bless Sean. I know the death of you, Patricia is going to be very hard on Sean, he loved his mom dearly, as well as his dad .we will stand by Sean just like brothers and sisters do. He is a brother to me Patricia , and I will forever love your son as long as I'm on this earth, I'm sorry he missed your memorial. You know as well as I do how much your son loved you .
