“ *Ramona was my friend. She was beautiful and kind. She was and always will be a blessing to me. She made me laugh and we cred together, but we made it through. She was the Thelma to my Louise. Ramona loved her family, more than anything. Her smiles and kind words, I will miss. Please know that she tried so hard to always be the best she could. She spoke of her daughter Lexi all the time and her Bobby. She was just amazing. The world lost an angel, but Heaven gained one. , I Love You My Friend. Lisa King Polich*

“ I am very sorry for your loss! My office was next to Ramona's at the Courthouse for several years. I moved away many years ago and hadn't seen Ramona until last year when my mother in law passed away while living in the Hiawatha Apt's. Ramona had not changed a bit in all those years! We got reacquainted immediately. She was so compassionate, kind, and helpful. I will always think of her with warmth in my heart, it was such a pleasure every time our paths crossed. “ Ramona had a smile that was contagious, she was always warm hearted and had a way of making people more relaxed and at ease then they had been a moment before. She always had the best of intentions, even if it did not go according to plan. She tried hard, and when she failed she would always try again. I will miss seeing her around.
