“ *“Mr.” (and “Mrs.”) as we referred to him when I was a child was my first best friend. We were neighbors in the Valley until the early 1970's. We (me and my twin brother Charlie) would wait for him to come home from work to open his lunch pail and share his left over coffee with us and then he would time us racing around his house! He teased me by how I pronounced “Hamburger” and called my sister Big Toots and me Little Toots! They were the best! He left a life long impression on me! A really great man! So Patient! Love, Little Toots!*
