“*Dave, Emily and rest of the family. My condolences to you all in this time of loss. Rhonda was such a kind and generous lady who seemed to be always smiling. I remember when my daughter gave birth to her twins. Rhonda was quick to congratulate me and in the next breathe, she offered to make a meal for Lindsey and the proud family. She also offered help if Lindsey need an additional pair of hands any time because, "She was just down the street." She is missed, but not forgotten... What a great lady.*

*My sincere condolences,

“*My heart goes out to Rhonda's entire family. She was a rock in her family, and could always be depended on to help others. I remember when she and Dave helped me move my organ a number of years ago in Las Vegas, and how she arrived and just started carrying heavy speakers out! She was strong, both physically and emotionally. And everyone will agree that a very kind loving person has left us. Peace to all!*

“ Rhonda definitely was a special person with a gift for working with people. A real "People Person" as they say. As the SLTOS "Membership Secretary" she had lots of ideas about how to reach out to our members, and attract new ones. A favorite of many members was her monthly membership column in SLTOS News, and her recipe of the month. I believe there was talk at one point about an SLTOS cookbook she would help edit. Yes indeed. She will be greatly missed. However, let's remember that whatever disease from which she suffered hasn't defeated her. Rather, we can take comfort that she's enjoying heaven celebrating with Jesus, family, friends, and others that have gone before.

I join with Don Walker in agreement with him in his prayer "for the peace and comfort that only the Lord can provide" for Dave and Rhonda's family, and all those who will miss her. In Jesus' name we pray. Amen!
