“ Hi neighbor miss you just talking to Karen your sister she misses you too but you are busy in heaven with family and friends my life hasn't been to great but when God wants me I will be seeing you again love you Judy Williamson

“ I took care of Roger during his time at Aurora Grafton on the first floor. I was showing off the fishing net he me and had brought in for my birthday, and sadly this is how I learned of his passing. I've never had a patient that was as stubborn (in a wonderful way) that was also so much fun to talk with and care for like Roge. Working night shift, I hate when patients have those “can't sleep, huh?” nights. Getting to pull up a chair and talk with him when he couldn't sleep was quite the blessing.

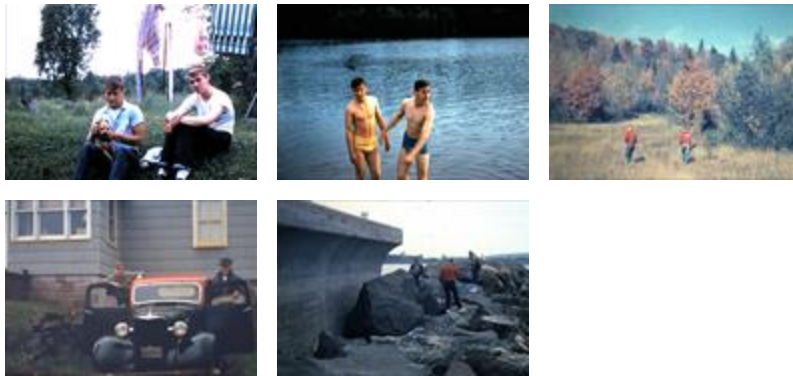

I'm truly sorry for the loss of Roger to all his family and friends, but I'll get to have his memory hung on my wall to remember the impact he had on me in the short few weeks I spent around him.

“ So many good memories of Roger. Condolences to his family. As a cousin of the same age we were very close all the way through college...every Sunday at Grandma and Grandpa's and especially the three summers working at Straits State Park. Many good times, and as I read the remembrances of his Crystal Falls friends, it is so easy to understand why the liked Roger. He was a very important part of our lives and will be deeply missed but always fondly remembered.

I add some photos here from back in the 50s and 60s that reflect the fun we had.

“ I am so sorry to learn of Rogers passing. He was a kind, gentle man and I have only fond memories of him. Growing up in “New Bristol” was such a blessing to myself and the other kids in the neighborhood and much of this is due to the kindness and caring nature of Roger and the other parents. This was a special place to be a child and I will cherish these memories. Rest peacefully Mr. Christian.

“ I first met Roger when he volunteered his time as a Youth Group leader at United Lutheran! He had a way with young adults; he was the adult in charge but so easy to talk to & he laughed & joked around...I have fun & fond memories of him from way back! He would also tell you our girls drove too fast through the neighborhood! One of our daughters hit the mailboxes...Roger fixed it! 😊 He's with God now! ☐

I have enjoyed the many discussions we have had during the years and will miss watching his daily feeding of the birds in his yard. May he rest in peace.*

“ I first met Roger when I retired from the USAF and moved next door to him on July 2nd, 2001. He always liked to talk about politics, the environment, and the speed limit on New Bristol Road. He especially loved my Yorkie Harley. He always petted him and called him "puppy," even though Harley is 13 and a 1/2-years-old. I'll never forget his kindness. What a great and caring neighbor. I want to sincerely send my and Harley's condolences to the family. RIP and Godspeed, Roger. Harley and I will surely miss you.
