“ *Heartfelt thoughts to Rose's family and friends.*

Even though Rose was almost blind I believe in many ways she saw things clearer than those of us left behind. She carried Jesus in her heart and never lost sight of the time she would be with Him in the end.

Rest in peace Rose. You will be missed.

“ Sympathies to Rose Stokero’s family & friends. I met Rose at Pleasant Valley Apts when I moved there in 2012. She was a friendly person. I remember when she was losing her eyesight and fell ending up at the Medicare Facility. She was only 2 apts away from me across the hall at P.V. Best Wishes!

“ I first knew Rose while growing up in the Warner Mine location. I would get to visit Rose when she later lived at Pleasant Valley and then at Medi Care when I would get back to Michigan.

She was always so pleasant and good company, and I enjoyed seeing her.

My Sympathies to her family and friends.
