She was a volunteer with the U.P E.M.S. Convention doing Water Safety Wilderness extractions, and any other area she could help in. “ That beautiful ray of sunshine has gone. She had no fear of wading through the swamp of insecurity that surrounds me. Her genuine concern and compassion was a gift I will treasure forever. The brief time we spent talking at the pool created memories of the beauty inside that Savannah possessed. She was so special. It was a privilege to know her. My sincere condolences to all that loved her.

“ We at Kinship remember fondly Savannah's clever personality and infectious smile! Participating in several Kinship events, it is Scott Westphal who warmly recalls Savannah was a "natural" while he was her mentor in the Youth Hunt. We're terribly sorry her life ended so suddenly. Our prayers for Savannah's family, especially Josh, during this difficult time and moving forward.

“ Was shocked to hear about Savannah. She was a good friend to UP-EMS. We will miss you girl. Will be heavy hearted to not see you at the EMS conference this fall, but you will be there in spirit with us. God claimed another Angel.

“ Whenever Savannah visited, her enthusiasm for discussing hunting made me glad to see another female who was comfortable in the outdoors. She always had a smile on, and a kind heart. I ache for the loss that her family and friends will feel for the rest of their lives, but hope that they'll be reunited with her in heaven.

I remember there was a time when you and your father were not able to connect. I remember the sheer elation and joy that he felt when he finally got to talk to you. He was over the moon. Over the years I have listened to numerous stories of what an incredible young woman you are. May your family be filled with peace and comfort. We will see you on the other side of the rainbow bridge.

“ From the first time you joined 4-H shooters, practicing at the AARC, UP Regionals there and all ones after that, shooting 22 bullets till the barrel got hot and target full of holes, our trips downstate, celebrations, birthday (mine) super amount of pictures and not one with a straight face. All the medals around your neck year after year at state , the motels at state tournaments, ALL memories I will cherish as your leader and mentor. Thanks Savannah and may the Lord keep you as an angel for all of us.
