“ News travels slow some times. I've thought of Sharon many times in the past couple of years. Donna told me about Sharon's health problems. I spoke to Sharon after Shirley passed and again after Donna passed. I'm glad I at least shared those moments with her. I lived one house away from the family when we were young. I was basically adopted by the Beebes and spent a lot of time with them, dancing in their living room until we wore the carpet out, camping out on their porch, playing ball in their yard, eating countless meals at their dinner table, swimming at Sand Lake, and loving everyone of them. Being the baby of the family, Sharon used to tag along and annoy the heck out of us older kids or maybe it was just me, but we put up with her. She was the cutest little thing and my Grandpa Prehn always favored her just a little bit. We went our separate ways after high school, but I always think fondly of her on the first day of spring, her birthday. I know she adored John and Jake and was very proud of them. Blessings on her friends and family.

“ She was a very memorable person with a great personality. She always had stories and was very proud of her son and all that he did. She exuded positive thoughts with anything she did. I am so glad I was able to meet her and get to know her. She was a great person!

“ So sorry for your loss..... I always enjoyed seeing both of you at the restaurant and getting time to catch up on things(horses mostly). Sharon always had a great sense of humor too!! She will truly be missed by all who had the pleasure of knowing her. My thoughts and prayers are with you.

“ We met Sharon and John through Triangle Ranch, where we enjoyed "running into" them on our many trips to the U.P. Every chance meeting was a pleasure. Sharon was a beautiful lady....only wish we had spent more time with her. We will always remember her great smile. God bless.

“ Sharon has always been as straight forward as they come. I've waitressed with her, ridden horses and anytime I wanted honest advice, Sharon would be straight on. I admire the strength and love Sharon and John proved in their 37 year marriage. Heaven has one mighty strong angel now. Keeping you, John and Jake in my thoughts and prayers in your time of healing.

“ As I sit here and remember Sharon, I still smile over the memories of the trip to Alaska to visit Jake. She sure had a good time and I will really miss that laugh.

Jake and John, we want you to know our thoughts are with you during this very sad time.

Please let us know if there is ever anything we can do for you, even if its just to talk.

Take her and cut her out in little stars,
And she will make the face of heaven so fine
That all the world will be in love with night
And pay no worship to the garish sun.”*

“ *John, Jake and family,*

So sorry to learn of Sharon's passing. Seems I have known her for as long as I can remember and have fond memories of her. She and John to me always seemed to have the greatest relationship. I know my family and I have always thought the world of both of them. My best to John and Jake.

“ John and Jake:

A flower, no matter what kind, will always remind me of Sharon.

For the few years I knew Sharon, I felt we had been friends all my life. The times we laughed and cried together, I will always cherish. She was a very special person and my heart will always have a special spot for her. Remember the good times you all had.

John and Jake, you are in my thoughts and prayers.

“ John and Jake,

My heart is breaking too. Sharon is going to be so so missed. What a beautiful, wonderful woman. Her laughter was contagious. I loved how Sharon would say every day I am a new flower.....A flower she was and still is. Sharon was a woman who touched so many souls. Sharon save a spot for me in Heaven we will sit and talk about King size beds and hot tubs....they are our specialty.

Love you and will miss you.

John & Jake you are in my thoughts and prayers.

Love

Sandi
