“ *Shirley and I renewed our friendship after a class reunion. We had been friends all thru school at Forest Park and went our separate ways to raise families. After the reunion it was fun to renew our memories and realize we were actually related by marriage. her uncle charlie had married my Aunt Amelia...Over our new years of friendship, Shirley never failed to send me cards, and packages. no matter how many times I said to save her money she kept it up. Now i value all those presents and think how important it was to her to do that. I so miss her cards and letters and her contact. She loved her family and was so proud of her many grand children and greats..She would have loved to see them grow up but i know she will be around in spirit to do that. I will remember her as a special person and know that we will meet in" the next place".Be at peace and know we all loved her in our special ways.*
