“ Sad to see Shirley passed on. She was our Charge Nurse in Night Shifts at a local Nursing Home in downtown Crystal Falls. We had the best night shift crew to work with, not only co-workers but became good friends. Many good memories of Shirley. From, Mary Jane (Riverside-Schultz-Olson)-Soderberg

“ My deepest sympathy to Shirley's family and friends. I so enjoyed the years I spent getting to know her at her home away from home, Victorian Heights. May she rest in perfect peace and comfort.

“ Our entire family has many fond memories visiting the Fisher Farm, Aunt Lina, Uncle Walter, Virginia, Steve and Shirley. In recent years we were able to see Shirley at the retirement home. We would always go to eat somewhere and enjoyed all of the old stories of Crystal falls and the family. We will dearly miss her. Love and hugs to the family, especially Jan and Ron. “ I would go up the farm with my parents Arthur and Mildred Fisher. I have fond memories of Shirley. When ever we would go to visit Shirley would take my Brother Roy and myself under her wings and made sure that we had a good time. Playing in the hay barn, chasing the cows back to the barn for milking and making sure we stayed at the front of the barn until the cows were locked into the stalls, making sure we did not mess with the bull, taking us up to see the old Fisher dairy truck. I will miss her but not the memories she gave me.
