June 30, 1967 - December 21, 2023

Tammy Lynn Jaeger, 56, of Crystal Falls, passed away on December 21, 2023, at St. Vincent Hospital in Green Bay, Wisconsin. She was born June 30, 1967, in Crystal Falls, the daughter of the late Harold and Catherine (Nelson) Gill of Amasa.

Tammy grew up in Amasa where she enjoyed playing with her cousins, friends, and pets. She enjoyed skiing from a young age that grew into adulthood. She attended many Sheriffs conventions with her parents. Tammy graduated from Forest Park high school, Class of 1985 and attended Girls State at Central Michigan University during her senior year.

She married Allen Jaeger on March 6, 1993, at the Bethany Lutheran Church in Amasa. Tammy worked as a Matron at the Iron County Jail. She held many positions of managerial status where she excelled and was able to help lead others. She was a union representative at Aramark where she worked for over 10 years, and she was very proud of that title.

Tammy loved camping, attending concerts, gardening, and cooking. She loved Joshua Trees, Flamingos, Birds of Paradise, and Red Toed Tree frogs. “ I am so sorry I did not know that she had passed. I feel very bad that I did not know, as I liked her very much. I stumbled into finding out because of my husband. I last saw you guys in Green Bay when I had absolutely no idea where the hospital was that they were sending Lou too, and you recognized my truck, called me, and led the way. You were getting Tammy, she was doing a little better that day, you guys hugged me so tight to offer support and hope. You have no idea what it ment to me. I am hugging you back right now, just as tight. I am so sorry, she was a very nice person and a great boss for the brief time I worked at Subway. She had a kind heart, and always ensured that I could see my daughters school stuff. Every time I bumped into her she was always go out of her way to say hi and ask about the kids. I am so sorry that I did not know, when I see you next you will be receiving a huge hug. Tammy was a wonderful person. My deepest sympathy to all of you and the kids. Hugs to all of you. Please let me know if you need anything.

“ Tammy and I didn't see each other often as adults but we sure were great friends and neighbors as kids. We played hundreds of songs on the juke box at the North 40, spent hours back and forth at each others houses, we made a hang out in the shed in your backyard but were never brave enough to sleep in it like we wanted to, we listened to records in your basement, and rode the school bus together forever. Your tarantula terrified me which you always found hilarious! I cannot recall us ever having an argument or hearing you say anything negative about anyone. You were one of my sweetest, gentlest friends and you will be missed.
