“ I'm a little late to the party, but Bushy and I slapped some mean guitars together back in the day. I remember Ten Years After - "Goin' Home!" - and tons of other great music; we'd strum and work out parts and chords to songs and celebrate! Good guy - sad to see this news. My condolences to all his extended friends and family.

“ I met Bushy in Little League baseball....he played for Alpha, me for CF and we were both catchers...equipment was hard to come by so we shared some at home plate. He was a wonderful, kind, funny, playful man and he will be missed but fondly remembered by so many. mike webb

“ Lots of good memories with Bushy and Tom Mack living together and our friends from Escanaba, mi. and surrounding area after high school. We all worked at Kohler Co. and Bushy played for the Sheboygan Redwings which was a semi-pro football team. When I say never a dull moment during this time only others would believe comments are exaggeration. Going to miss these guys.

Yesterday, when we were young!!! The Stray Cats!! Half of us are gone now! Miss them all! My sympathy to the family.
Did not see Bushy much in the last few years, but will always remember his infectious smile, laugh, and sense of humor.
