“ Sandy, We never met, I knew Wally while I attended high school in the late 60's, - I am sending you my very belated condolences. His younger brother Dennis was my best friend all through high school and also some years later until we lost touch with each other. I just recently ran across Wally's obituary. I know Wally and Dennis passed away years ago. I attend the Alumni mass at St, Laurence in Illinois every Spring. I sent Wally and Dennis's names to the St. Laurence Alumni director this year, asking her to add their two names to the ranks of deceased alumni. I thought you might like to know they are now listed in the Remembrance book of Fallen Vikings. - Jeff Zawada (1970 grad)

“ Sorry to hear the news about Wally. I was a teammate of his on our football teams at St Laurence for all four years of high school. He was a starter at guard and an important part of our successful team in senior year. Wally was a reliable, hard-nosed grinder who got along with everyone, was always ready to play, and gave 100%. I'm grateful we had him on our teams.  
My condolences to his family.  
Sincerely,  
Bob Ryan

I am sorry to hear Wally has passed away. Wally was my apprentice in Local 134 IBEW and I do say the best apprentice I ever knew. May he rest in peace.

“ Sorry I didn't keep more in touch, time gets away. I couldn't have worked for a nicer guy and never knew a better electrician. When we were working on the tunnel project he would send Sandy's sandwiches on those awesome onion rolls down to me when I couldn't come up. He always took care of his guys. My sincerest sympathies to you and your family.
