“ Tom and I knew Bill way back when we all were in high school. He was always a joy to be with. Bill played in a championship basketball game against Tom's team in 1959, and they became good friends. Our son Michael also got to meet Bill many years later when purchasing flooring from Bill. We have not been in the area for many years but never forgot Bill. While visiting my sister at the Medicare, she told me Bill was there too. I went to his room, but the door was closed. Since I did not know what his condition was or why he even was there, I didn't knock to enter. We are sorry to hear of his passing and the suffering he endured. May Bill now rest in peace. Our condolences to all of Bill's family. God Bless. Tom and Kathi McCole, Green Bay, WI

“ My sincerest sympathies go out to the Latva family. I had the good fortune of knowing Bill for many years through work and our daughters being great friends. I smile each and every time I think of the many stories and antics from Bill at events like the Logging Congress or just running into him. He was a great man who will be missed and our hearts go out to his wonderful family who meant a great deal to him. Rest in peace Bill.

“ I had the pleasure of working with Bill for the last 15 years he was at Robbins. We took one road trip together to lower MI where Bill had found a sawmill that could cut hard maple for us. One of the owners introduced himself as Leroy. Then a few minutes later his brother approached us and introduced himself as Leroy. We had a hard time keeping a straight face during the ensuing conversations. Ever since then we called ourselves Leroy and Leroy.

I can say that every one of my memories of Bill is filled with laughter and fondness. I will miss him dearly.

We pray that your joyful memories of Bill will sustain you through this time.
